

Join us in donating canned food for Canstruction and the Orange County Food Bank.

Together we CAN make a difference!

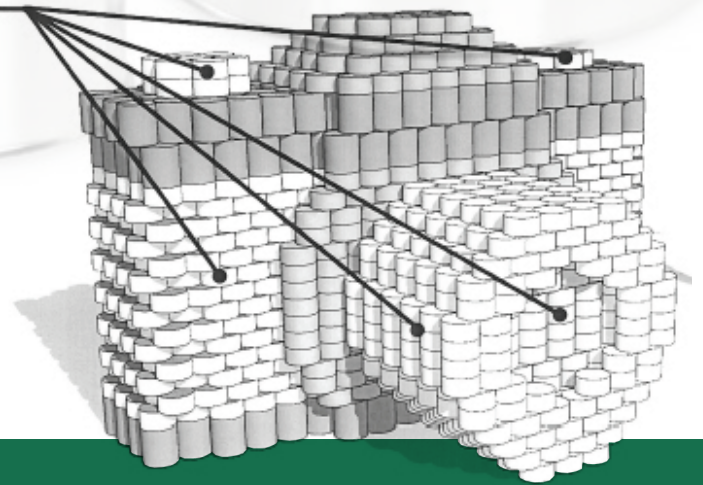

canstruction®

Diffenbaugh, along with our partner HPI Architects, are participating in the annual Canstruction competition where teams of architects, engineers, and contractors compete to design and build giant structures made entirely out of canned foods. It takes 8-12 weeks and thousands of canned food items to create a structure. All creations will be on display at South Coast Plaza from 9/3/10 - 9/26/10. Visit www.canstruction.org for more information.

Bumble Bee Tuna cans

This year our theme is **CAN-did Camera**. We will be constructing a Nikon Camera completely out of cans!

How can you help? We need 1,800 of these (or similar 12 oz. cans):

BUMBLE BEE®
Chunk White Albacore in Water
12 ounce

To participate, please contact the Marketing Department or send donations directly to Diffenbaugh 6865 Airport Drive Riverside, CA 92504 PH: (951) 351-6865

All donations are tax deductible as Canstruction is a 501(c)(3) charitable organization.
Federal Tax ID #: 95-2452787 *Thank you for your support!*
